

## Bootlegger Generation B Scholarship for Life Contest.

It's a 2 part contest, beginning May 17, with a grand prize of \$10,000 cash to invest in the winner's passion.

A total of 76 finalists (from all across Canada) will be flown to Vancouver in July to participate in a photoshoot. The pictures and a bio of the finalist will appear in each of their local Bootlegger stores and online at [www.bootlegger.com](http://www.bootlegger.com) in September.

The candidate that receives the most votes online by the end of the contest period (Sept. 15) will receive the \$10,000 prize.

We are accepting applications for candidates from May 17-June 15, 2007. We are looking for outstanding young adults to represent your community. The more the community rallies behind their candidate, the better chance they have of winning the \$10,000 Scholarship for Life.

We are looking to celebrate achievements in all walks of life; sports, music, dance, community leadership, etc. This is not strictly an academic scholarship; we want to reward the winner for all they do. The \$10,000 will recognize their achievements and provide them with the resources needed to grow as leaders in their community.

You can see the candidates from last year online here:
